EDITORIALS.

Be men.

Fear nobody but God.

If the darkest hour is just before day, then there is a glorious sunshine awaiting the American Negro in the very near future. Don't be discouraged.

As a long distance marathon, up to the minute chauffeur, David Jackson, who drove us to Des Moines, and back this week has got 'em all skinned and if you want a good natured, intelligent and entertaining driver to pilot your car anywhere in the country, just try "Jack."

The splendid record being made by our men at the Officers' Training Camp in Des Moines, Ia., is a source of inspiration and pride to the entire race, and every Negro in America who can visit this camp and see the wonderful work being done there should avail himself of this opportunity, which may never again be witnessed in this country. The high intellectual standard, the dignified deportment and the enthusiastic avidity with which these men enter into their arduous tasks demonstrate that they realize the responsibility that rests upon them and are determined in the name of God and the race to MAKE GOOD!

SAMUEL HOUSTON DEAD.

Mr. Samuel Houston, a highly respected citizen of Joplin, Mo., and the father of Dr. W. H. Houston of this city of the well known firm of McCampbell & Houston, passed away after a short illness at his residence in that city. Mr. Houston was a splendid stonemason and mechanic and much of the beautiful architecture of the city of Joplin was created by his hands. He owned one of the handsomest homes in that city and stood high among both white and colored. He was a Master Mason of high degree and at the time of his death was Worshipful Master of Myrtle Lodge No. 149, under whose auspices the funeral was held last Sunday. He was always a warm and consistent friend of the Editor of this paper and we mourn with the family in his untimely demise. On account of the Editor being in Des Moines he was unable to attend the funeral, but the Sun extends to the bereaved family its deepest sympathy in their hour of sorrow.

THE NEGRO AND THE WORLD WAR.

The world war has made prominent the problems relating to the Negro. There is in the United States his migration to the North. On the firing line in France, thousands of black soldiers from Africa are doing their part. Africa, the continent richest in natural resources, is one of the stakes for which the war is being fought. All of these things have increased the demand for accurate, comprehensive and concise information concerning the Negro. Such information is supplied by the almost five hundred pages of the 1916-17 Negro Year Book, Tuskegee Institute, Ala.

THE LEADS TUBERCULOSIS HOSPITAL MUDDLE.

There seems to be quite a row over the Leeds Tuberculosis Hospital and its management, with the city authorities. The Kansas City Periscope is out claiming that Dr. Wm. H. Crowder, the tuberculosis specialist of this city, should be placed in charge of the institution. The Periscope says that Dr. Crowder has a specific for tuberculosis. The Jackson County Medical Association it would seem is against the Periscope policy. This is not our fight. It is none of our concern except as a matter of humanity. If Dr. Crowder has a specific for tuberculosis, why not give him a chance to demonstrate it at Leeds? His friends claim that he has. Why not let the test be made and the truth either affirmed or disproven? Humanity has a right to this much at Leeds.

One of the things that commends Dr. Crowder to the Sun is that CREED NOR COLOR have never cut any figure with him in the treatment of humanity, for which we are exceedingly grateful.
